#### 4. Methodology of the Audit:

A questionnaire in tune with current NAAC assessment accreditation framework has been prepared as shown in the Annexure-1. The metrics are considered where academic department need to be involved. Weights for each metrics are fixed as per their importance for enhancing the quality of the College. A score in the scale of 0-4 is provided based on validation by the audit committee members on the claim made by the departments of the College. CGPA for every department has been evaluated using the following formula.

$$CGPA = \frac{\sum_{metrics} \text{Score in the individual metric} \times \text{Weights of the metric}}{\text{Tot Weights (500)}}$$

The CGPA for individual departments are shown in the Table-1.

Table-1

5. Observations:

a. *Curricular Aspects:*

Morigaon College is affiliated to Gauhati University. The College follows the curriculum developed by Gauhati University. For effective delivery of curriculum most of the departments are maintaining lesson plan and course diary. However, the detail lesson plan with course progress record needs to be institutionalized. Departments follow academic calendar of Gauhati University. For effective planning of activities academic department can prepare an academic calendar specific to the department following the affiliating University's calendar. Add on/ Certificate programmes are conducted by maximum departments.

b. *Teaching Learning Aspects:*

Assessment of learning levels after admission to identify slow and advanced learners should be more robust. Though the College follows students-centric learning method for effective curriculum delivery however, a detailed unit wise plan for experiential and participative learning needs to be maintained for enhancing the learning experiences of the students. The College maintains mentoring system. But documentation of the mentoring system is not adequate. All the departments conduct internal examination as per requirement of the affiliating University. The College may incorporate more different modes for continuous internal evaluation. Program Outcome, Program Specific Outcomes and Course Outcomes are described in the syllabus. Evaluation the attainment of the learning outcomes to be evaluated properly.

c. *Research, Innovation and Extension:*

The overall research culture in the College needs to be strengthened. Several departments are conducting very effective extension activities. Involvement of the students in those activities should be encouraged. Squeezy in is an exemplary innovation. Such efforts should be encouraged.

*d. Infrastructure:*

The College has adequate infrastructure facilities for all academic activities. The infrastructure is well maintained. The library and IT facilities are also adequate.

*e. Students support and Progression:*

Several Departments has conducted capacity building and skill enhancement activities for the students. Placement of the students and progression to higher education are encouraging. Students need more encouragement for participation in extra- curricular activities.

*f. Professional development activities:*

Several teachers are participating in FDP. The rest of the teachers should also regularly participate in FDPs.

## 7. Recommendations:

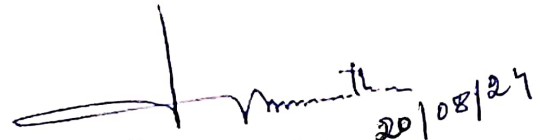

Based on the findings of the audit, the members of the audit committee recommend the following for enhancing the quality of the College:

1. Research Ambiance of the institution should be improved for quality Research Output.
2. Creation of resources for innovation and entrepreneurship development.
3. Review and implementation of outcome-based education.
4. Facilitate and increase more placement opportunities for students
5. It is recommended that the institution should take the initiatives in fostering industry-academic partnership as this can benefit students greatly by providing them with valuable real world experience and opportunities.
6. Recommended for introducing more numbers of post-graduate programs. This step would enhance significantly students' progression and expand opportunities for higher studies.
7. The college should take a concerted effort in providing training for competitive examinations. This support would help students better prepare for their future careers and increase their chances of success.
