MORIGAON COLLEGE

Morigaon : Assam

Welcome note from the Principal's desk ...

Dr. Lila Kanta Barthakur

There is always a lot to share with the students, guardians and stakeholders about the college and its developments in various fields. Morigaon College has indeed made a long march since its early days to reach the present stage and has a long path to tread in the future.

As a part of this glorious institution, I am extremely pleased to showcase the progress and expansion of academic and infrastructural activities in the college through this prospectus. I sincerely believe that Morigaon College has an enormous role to play in bearing the torch of knowledge among the rural masses and shedding away all traces of darkness from the young minds.

In an attempt to make the admission procedure time-saving and hassle free, the online admission system was introduced from 2018-19.

With highly efficient group of teachers, there is a lot to learn and explore at Morigaon College. I welcome all the knowledge aspirants to come forward and discover their capacities and potential in this temple of learning.

A. Introduction

1. About the College

Morigaon College was established on 1st July, 1964. It is one of the oldest institutions of higher education of erstwhile-undivided Nagaon district of Assam. It has already completed 54 years as one of the premier institutions engaging actively in nurturing and disseminating rays of education in the region.

The college is located in the eastern part of the Morigaon Town, the headquarter of Morigaon district of Assam. It is 70 Km away from Dispur, the state capital of Assam. The nearest railway station is Jagiroad (23km) and nearest airport is LGB airport, Borjhar, Guwahati (96 Km).

Since its inception, in the first two decades, the college imparted education only in Arts stream. The science stream was introduced in 1985 and set to open up a new dimension by facilitating congenial environment to pursue higher education in Science and cultivating scientific temperament. In 2002, the college introduced several vocational and job-oriented courses like Computer Application, Industrial Fish and Fisheries and Functional Hindi. In 2012, Commerce Stream in degree level has been introduced with a view to fulfilling the need of higher education in Commerce for its aspirants. This fulfilled the long felt absence of an academic centre for higher education in Commerce in the whole region. In the face of the current socio-economic background, the UGC has reoriented and reshaped its policies and programmes to make the Indian higher education system more career-oriented with focus on quality and excellence. It is in keeping with the spirit of UGC that Morigaon College introduced certain career-oriented courses like Functional English, Translation and Proficiency and Entrepreneurship in Small Scale Industries from the academic session 2004-05. It is expected that the professionally qualified graduates with solid knowledge on the core disciplines and enterprises will have better chances for recruitment in service, industry and self-employment sectors. The college has already earned the pride of owing Postgraduate Programmes in the department of Geography in 2017 and in Zoology in 2018. In 2018, also the college has started another professional course on Food Processing Technology. In the U.G. level, Sociology (General Course) has been introduced and gradually the number of subjects offered by the college has gone up. The Gauhati University has recognized that the Chemistry Laboratory of the college is highly capable of facilitating advance research works.

2. Administrative Structure

The academic and administrative affair of the college is managed by a *Governing Body (GB)*, which is the chief executive body of the institution. Discretionary powers are vested upon the governing body and the Principal of the college controls and undertakes the responsibility for the maintenance of standard of education, inter-departmental coordination, examination, research and infrastructure development of the college. The Principal is assisted by the Vice Principal, the teaching and non-teaching staff for smooth functioning of the administration.

One Terminal examination carrying 100 marks in each paper is conducted before Puja vacation for higher secondary students. A Pre-final Examination is held in the month of November for higher secondary course.

3) Regulations and Syllabus of Gauhati University for TDC Semester System

UG-CBCS

Gauhati University has decided to introduce CBCS in its affiliated colleges in 'Under Graduate Level' from 2019.

REGULATIONS OF THE UNDER GRADUATE CHOICE BASED CREDIT SYSTEM (UGCBCS):

1. THE CHOICE BASED CREDIT SYSTEM (CBCS)

The Choice Based Credit System is the logical next step in a credit based semester system becoming more learner-centric. A CBCS offers the student a diversity of course to choose from the autonomy to decide on the place and time of learning.

2. UNDER GRADUATE CBCS (UGCBCS) PROGRAMMES

The undergraduate degree programme in the CBCS will have courses spread across six-semester. A typical semester will comprise a minimum of 15 to 18 weeks academic work that will translate into 90 actual teaching days. Two consecutive (one odd and one even) semesters will make up an academic year. An UG course shall be of Six Semesters, covering three Calendar Year (Academic Session June to May). The duration of the Odd Semesters (First, Third and Fifth) shall be 'June to November', and that of Even Semester (Second, Fourth and Sixth) shall be 'December to May'.

The dates and duration mentioned in the academic calendar concerned will be in consonance with the above schedule as far as practicable.

Each student must take admission in three consecutive Academic Session starting with the first semester. Students who do not enroll in the Second Academic Session will not be eligible to take admission in the Third Academic Session.

The minimum time requirement to acquire an undergraduate degree will be three years. The Maximum time allowed to complete the programme will be six years.

Structure of Courses and credits of the UGCBCS programmes :

- 21 The term undergraduate degree programme denotes programmes like B.A., B.Sc., B.Com., B.Voc., BCA, BBA and all other such Programmes where the requirement for award of a degree is the successful progression of the student through six semesters of academic work.
- 22 The academic work in each semester will require the student to engage with chosen courses, the content of which will be described in detail in the syllabi. Every course will have defined learning objectives and may be designed to comprise lectures, tutorials, laboratory work, field work, project work or any other activity that addresses the learning objectives of the course.
- 23 Each course will have credits, assigned on the basis of course related activities, which a student will earn through satisfactory fulfillment of the academic requirement of the course.
- 24 An undergraduate degree program with Honours in a discipline will have a course credit requirement of 148 credits while an undergraduate degree program without Honours will require a student to earn 132 course credits. Students in a Honours program can opt to earn additional credits by undertaking additional Elective course subject to the condition that the total number of course credits does not exceed 160 credits. For a student in a Regular program, this credit ceiling will be 140 credits. The credits earned beyond the mandatory program requirement will not be taken into consideration in computing of

the student's grade but will be recorded in the grade sheet.

Note: Wherever the university requires that an applicant for a particular M.A./M.Sc./Technical/Professional course should have studied a specific discipline at the undergraduate level, then obtaining 24 credits in the concerned discipline at the undergraduate level may be deemed sufficient to satisfy such a requirement for admission to the M.A./M.Sc./Technical/Professional course.

25 The medium of instruction and examination will be in English and/ or Assamese, except in language courses.

NATURE AND NOMENCLATURE OF COURSES:

In line with the UGC's guidelines, the courses are categorized as Core course, Elective courses or Ability Enhancement courses

Core Course : A Core course is a course that has to be compulsorily studied. A student in an undergraduate degree programme with Honours will have to take up 14 core courses, each of 6 credits. In a Regular undergraduate degree programme a student will need to take up 12 core courses, each again of 6 credits.

3.1 **Elective Course**: An Elective course is to be chosen by the student from a pool of such course on offer and will essentially be of three types:

3.1.1 **Discipline Specific Elective Course**: An Elective Course which is offered by the main discipline. The discipline offering a Discipline Specific Elective course may also offer discipline related elective courses that are interdisciplinary in nature. A student enrolled in an undergraduate degree program with Honours will have to earn 24 course credits from Discipline Specific Elective courses. For a student enrolled in a non-Honours undergraduate degree program in science, the course credit requirement from Discipline Specified Elective course will be 36 credits. For a student enrolled in a non Honours undergraduate degree program in Arts and Commerce, the course credit requirement from Discipline Specific Elective course will be 24 credits.

3.1.2 **Generic Elective Course**: A Generic Elective Course is offered by an unrelated discipline and has the objective of broadening the academic experience of a student. A student enrolled in an undergraduate degree program with Honours can acquire 24 course credits from Generic Elective Courses. A Core Course offered in a discipline may be allowed as an Elective to a student from another discipline. This course will be treated under the category of Generic Elective Course. Generic Elective Course are not available to students in a non-Honours undergraduate science degree program while other non- Honours undergraduate programmes require enrollees to take up two such courses.

3.1.3 **Dissertation/ Project**: Engaging students in a Project/Dissertation work, which requires knowledge application and problem solving, is considered to be important in the learning process. All students enrolled in an undergraduate degree program (honours and non-Honours) will have the option of choosing to undertake Project/Dissertation work for 6 credits in lieu of a 6 credits Discipline Specific Elective course in the fifth semester only.

3.2 **Ability Enhancement Course**: Ability Enhancement Course which are to be taken up by students in an undergraduate degree program will be of two types:

4.3.1 **Ability Enhancement Compulsory Course**: These 4 credit course are mandatory for every student enrolled in an undergraduate degree program. A student will have to take up 4 credit course in Environmental Science and a second 4 credit course in English communication/MIL Communication.

4.3.2 **Skill Enhancement Courses**: Skill Enhancement Courses will be value based or skill based and there will be a pool of courses on offer. A student enrolled in an undergraduate degree program with Honours will have to take up a minimum of two SEC courses of 4 credits each as part of the program requirement. For students enrolled in non-honours undergraduate degree programs the credit requirement from

Skill Enhancement Courses will be 16 credits. It is desirable that the university will prepare for various disciplines from the list of SEC provided by the UGC template. However, colleges are free to develop their own SECs independently, which must have prior approval of the Academic Council.

4.3.3

2. Skill Enhancement Courses (SEC) (Minimum 2) (2 Papers of 4 credit each)	2x4=8	2x4=8
Total credit	148	148

*Wherever there is practical, there will be no tutorial and vice-versa

11. Attendance of Students:

Students must have 75% attendance. The attendance of all courses including the Skill Enhancement courses shall be counted, and accounted for in full while determining if the student has met the minimum attendance norms of Gauhati University.

In case, a student fails to have at least 75% attendance, he/she will not be allowed to sit for semester end examination and will be needed to repeat the concerned semester after the successful completion of the subsequent semesters for earning the deficit credits.

Any student securing less than 75% attendance due to medical reasons will have to apply for medical leave in a prescribed form (within seven days from the date of absence) along with relevant documents/certificates etc from an authorized medical practitioner. However, after accounting for medical leave granted, the minimum attendance will still have to be 75%. If it still remains below 75%, the student will not be allowed to sit in semester end examination. Such consideration will be subject to the condition that the student must have at least 60% attendance.

For absence due to participation in prescribed co-curricular activities (eg. NCC/NSS/Youth Festival/Sports etc.), the claim for CCA leave will have to be made in prescribed form and supported by authenticated certificate(s) from concerned authorities. However, the minimum attendance after accounting for CCA leave granted will still have to be 75%.

12. Internal Assessment (IA) :

Internal Assessment will ideally account for 20% of the total marks allotted in a course/paper.

Sessional or mid-term examination will be conducted for 50% of the total marks allotted for IA of a course/paper.

20% of marks allotted for IA will be awarded to the students based on class attendance as follows:

- (i) From 76% to 86% attendance: 1 mark
- (ii) From 81% to 85% attendance: 2 marks
- (iii) From 86% to 90% attendance: 3 marks
- (iv) From 91% and above: 4 marks

Remaining 30% of the marks allotted for IA will be distributed and awarded on the basis of performance of the students on the following criteria:

- (i) Home assignment
- (ii) Seminar/Group discussions
- (iii) Field work
- (iv) Performance in co-curricular and extra-curricular activities

“Subject combinations” and “Elective Papers” will be offered as per Gauhati University directions and guidelines.
