### Memorandum of Understanding

This Memorandum of Understanding (MoU) is entered on 12 day of Feb., 2019 at Morigaon

Between

Morigaon College of Morigaon, Assam – 782105 (1<sup>st</sup> Party) and Anti-Global Warming Society (NGO), Morigaon, Assam – 782105 (2<sup>nd</sup> Party).

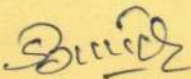

The relationship between Morigaon College and Anti-Global Warming Society, Morigaon governed by this MoU is characterised by respect for each other's commitment to the purpose, values and aspirations we hold in common and a mutuality in which independence and interdependence are recognised. The memorandum binds the parties to specific commitments to each other. This memorandum is entered into by both parties in a spirit of generosity and openness. It is build on clear understanding that the climate change presents worldwide challenges and risks to environment and economies, impacting human health, increasing extreme weather events, and threatening natural resources. Impacts from climate change are already inevitable due to the greenhouse gas emissions already resident in the atmosphere. At the same time, climate change responses and solutions create economic opportunities and benefits through sustainable development.

The purpose of this MoU is to define the efforts are necessary to ensure protection of humankind and our planet, and to limit the increase in global average temperature.

The following individuals are designated points of contact for the MoU:

- i. The Parties agree to collaborate on actions to promote adaptation and resilience, with an eye toward maximizing benefits for greenhouse gas emission reduction and climate adaptation.
- ii. Parties will work together to build a green environment.
- iii. In work to reduce climate risk, Parties will look to natural or "green" infrastructure solutions that maximize ecological benefits while providing protection.
- iv. Parties will share best practices in designing and deploying these solutions.
- v. This MoU is valid for a period of five years.
