Memorandum of Understanding

This Memorandum of Understanding (MoU) is entered on 13 day of Feb, 2019 at Morigaon

Between

Morigaon College of Morigaon, Assam – 782105 (1st Party) and Assam Science Society, Guwahati, Assam – 781038 (2nd Party).

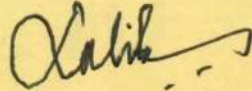

The purpose of this MoU is to outline the scientifically aware the students of Morigaon College and also the students of nearby schools. To develop the scientific mind set among the students mainly due to the climate change, greenhouse gas emissions and most importantly pollution caused by the plastic waste.

The following individuals are designated points of contact for the MoU:

- i. The Parties agree to collaborate on actions to promote scientific mindset with an eye toward maximizing benefits for the students.

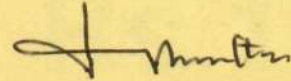

- ii. Parties will work together to build a scientific community.
- iii. Both parties will share best practices to promote education and research in different branches of science.
- iv. This MoU is valid for a period of five years.

For and on behalf of 2nd Party
