Memorandum of Understanding

This Memorandum of Understanding is entered on 12 day of February, 2019 at Nagaon

Between

Morigaon College of Morigaon, Assam – 782105 (1st Party) and Nowgong College of Nagaon, Assam – 782101 (2nd Party).

The purpose of this MoU is to outline how Morigaon College and Nowgong College will work together to maximise the benefits to be derived from increased collaboration, cooperation and interaction for the further promotion and understanding of research.

The purpose of this MoU is to define the areas for fundamental, academic research in which the parties desire to work together in the future for their mutual benefit to foster a collaborative framework between Morigaon College and Nowgong College with a view to benefiting from each other's initiatives and working procedures and to support collaboration among the researchers associated with both Parties.

This Memorandum of Understanding protects the following facilities:

- i. Allow the 1st party personnel to access certain non-confidential facilities.
- ii. Each initiation will promote the evaluation performance and robustness of those libraries in both facilities.
- iii. Exchange information on scientific research especially in the field of Chemistry.

- iii. Exchange information on scientific research especially in the field of Chemistry.
- iv. Place all data and models resulting from the research efforts conducted under this MoU in the public domain.
- v. No T.A. /D.A. will be paid for this purpose.
- vi. This MoU is valid for a period of five years.

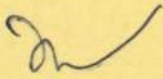

The following individuals are designated points of contact for the MoU:
