Topic: Exploring Research Careers in Biological and Biomedical Sciences

Resource person: Dr. Manash Das, Assistant Professor, Department of Zoology, Gauhati University

Date: 26th December, 2024

Venue: Seminar Hall, Department of Zoology.

A Popular Talk was organized by the Department of Zoology, Morigaon College (Autonomous) on 26th December 2024 in the Departmental Seminar Hall of Morigaon College. Dr. Manash Das, Assistant Professor, Department of Zoology, Gauhati University, was present as the resource person and delivered a talk on the topic "Exploring Research Careers in Biological and Biomedical Sciences." The session began at 11:00 A.M., with an engaging introduction highlighting the diverse opportunities and pathways available in biological and biomedical research. Dr. Das discussed the importance of a research-oriented mindset and emphasized how interdisciplinary approaches are driving innovation in areas such as genetics, molecular biology, neurobiology, immunology, and biotechnology. He provided valuable guidance on how students can pursue research careers, including insights into postgraduate and doctoral programs, fellowship opportunities, national and international research institutions, and skill development in laboratory techniques and scientific communication. Dr. Das also shared his own academic and research journey, inspiring students to consider careers in academia, healthcare research, and the biotech industry. The talk offered a clear understanding of the research landscape and encouraged students to think critically about their future career paths. The session concluded with an interactive Q&A, where students actively engaged with the speaker to clarify doubts and seek advice.

The event was highly informative and motivating, especially for students aspiring to pursue higher education and research. A total of 30 PG students attended the talk and expressed their appreciation for the opportunity to interact with an expert in the field.
