Topic: "Fundamentals and Applications of Enzyme Kinetics"

Resource person: Dr. Manash Das, Assistant Professor, Department of Zoology, Gauhati University

Date: 27th November, 2024

Venue: Dr. HSM Conference Hall.

A Popular Talk was organized by the Department of Zoology, Morigaon College (Autonomous) on 27th November 2024 in the Dr. HSM Conference Hall of Morigaon College. Dr. Manash Das, Assistant Professor, Department of Zoology, Gauhati University, was present as the resource person and delivered a talk on the topic "*Fundamentals and Applications of Enzyme Kinetics*". The session started at 11:00 A.M. with an introduction to the fundamental concepts of enzyme kinetics, emphasizing the importance of enzyme-catalysed reactions in the overall functioning of biological systems. Manash Das highlighted the historical milestones that have shaped modern enzyme kinetics, from the classical Michaelis-Menten model to the latest advances in enzyme inhibition studies and industrial applications.

The invited talk was highly informative and engaging, providing a comprehensive overview of the current state of enzyme kinetics and offering valuable insights into the future directions of the field. The event was well-received by the audience, who appreciated the opportunity to learn from a leading expert in the discipline. A total of 30 students from PG attended the talk.
