REPORT

Lecture Programme on Indian Glorious Space Journey on the occasion of Day 3 of Space on Wheels Programme of ISRO (Tour of Assam)

Organizing Host: Morigaon College (Botany and Physics)

In Collaboration with: North East Science Movement (Vijnana Bharati)

All India Partner: CSR initiative of Cochin Shipyard Ltd.

Local Partners: Assam State Commission for Protection of Child Rights (ASCPCR) &
North East Centre for Technology Application and Reach (NECTAR)

Date: 12 September 2024; **Venue:** AKG Hall & Morigaon College Field

Topic: Application of Geospatial Technology and its usefulness for Governance &
Developmental Planning

Resource Person: Mr. Utpal Sarma, Additional Director,
Assam Space Application Centre.

No. of Participants: 158

A lecture programme was organized by Department of Botany and Physics (Morigaon College) on the occasion of 3rd day of tour of the exhibition vehicle under 'Space on Wheel' programme of ISRO in connection with Indian Glorious Space Journey. Resource Person Mr. Utpal Sarma, Additional Director, Assam Space Application Centre delivered his expertise on the topic entitled "Application of Geospatial Technology and its usefulness for Governance & Developmental Planning". Rajib Chandra Sarma, Secretary NESM (VIBHA), Phanindra Kumar Bujar Baruah, Member (ASCPCR) and Bandana Sasoni, Member (ASCPCR) were also present on the same occasion. Following the lecture programme, the exhibition bus of ISRO, parked near the college field was inaugurated by the Principal, Morigaon College and was opened for all the students of the college. A total of nos. of students from 5 nearby schools also visited the same.

Outcomes:

1. Students came to beware of applications of satellite technology for planning and development of towns and cities.
2. They gained knowledge on the history of ISRO and its contribution to the technological development of India.
3. College students and school students were able to visit the Space on Wheels bus containing actual and prototype models of rockets and propellants used by ISRO during their moon missions.
