Report on Lecture Session on Nobel Prize in Economics 2024

The Department of Commerce, in association with the Department of Economics, Morigaon College, successfully organized a lecture session on "Nobel Prize in Economics 2024" on 24th December 2024 at the New Conference Hall from 12:00 PM onwards.

Objectives of the Programme

The main objectives of the lecture session were:

1. To familiarize students and faculty members with the Nobel Prize in Economics 2024 and its significance.
2. To enhance understanding of the research contributions and theoretical advancements recognized by the Nobel Committee.
3. To relate Nobel Prize-winning economic ideas to contemporary economic issues and policy-making.
4. To promote academic interaction and interdisciplinary learning among students of Commerce and Economics.

The programme commenced with a **welcome address by Dr. Pranjeet Das**, Head of the Department of Commerce, who emphasized the relevance of Nobel Prize-winning research in understanding modern economic challenges and encouraged students to engage actively in academic discussions.

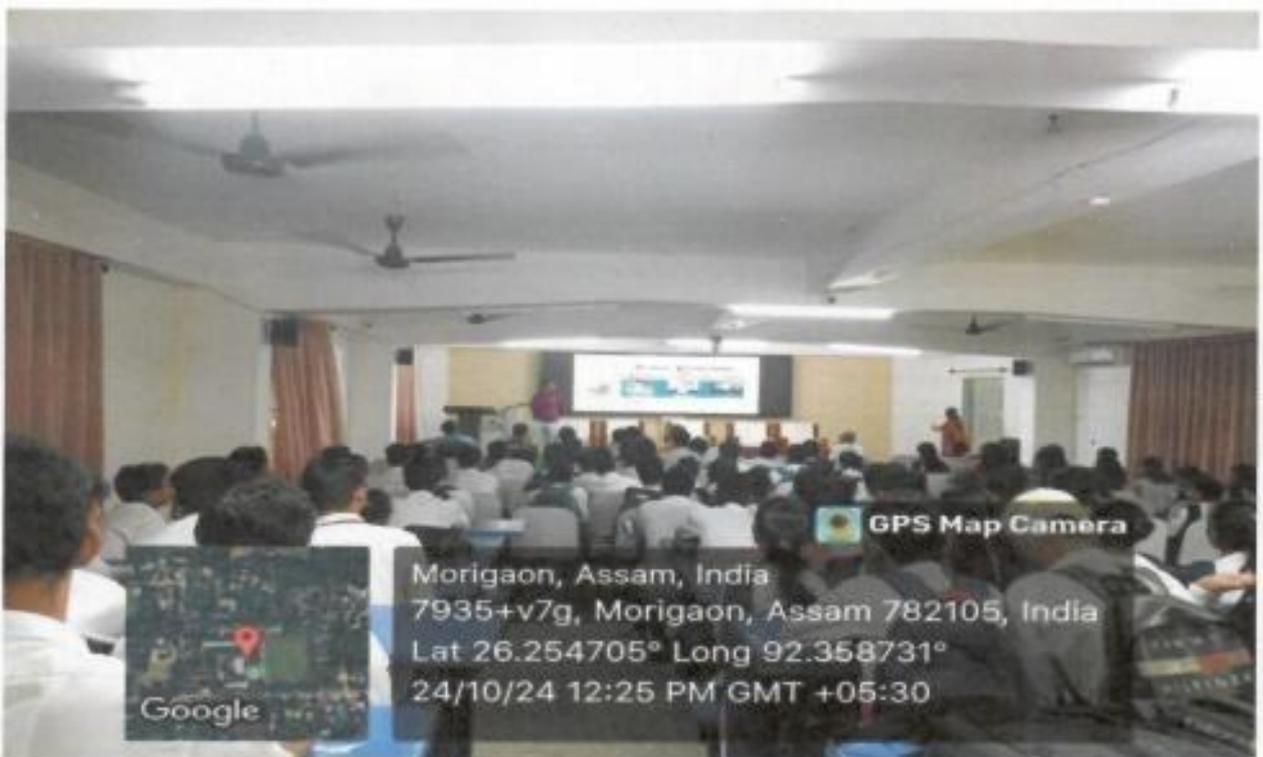

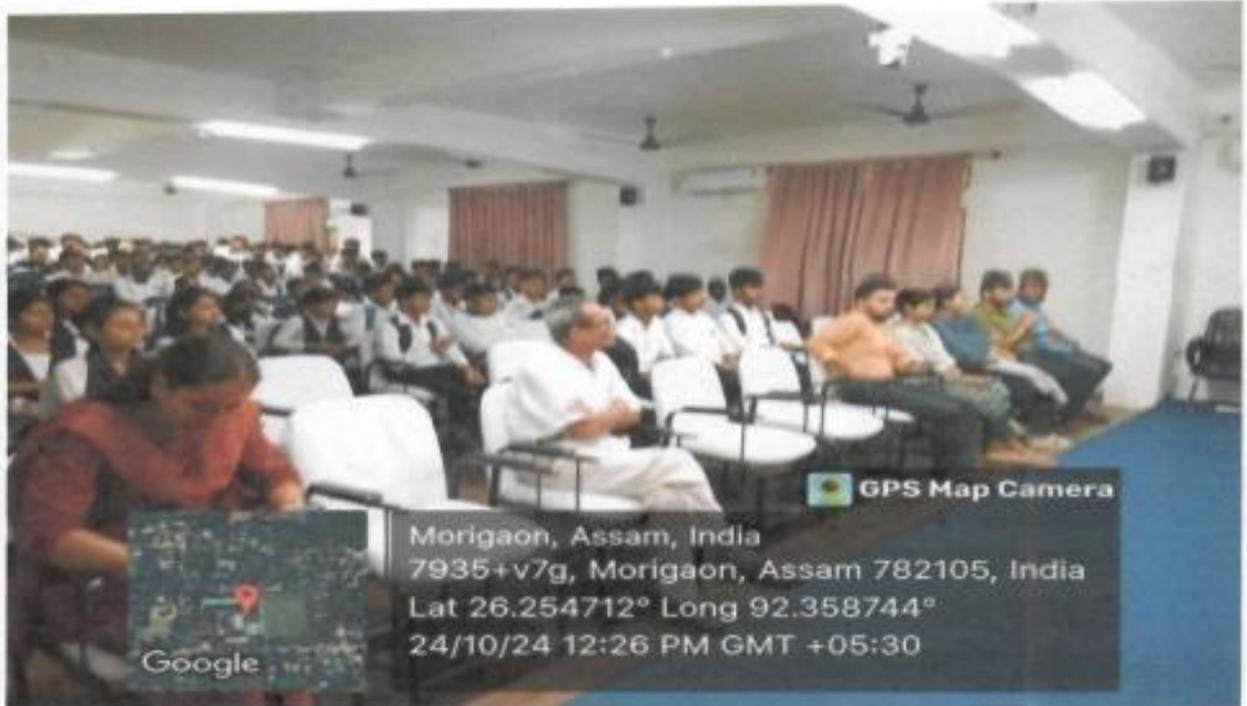

The lecture was delivered by **Dr. Chandan Sharma**, who provided an insightful and comprehensive discussion on the **Nobel Prize in Economics 2024**. He explained the core concepts, major research contributions, and their global economic implications in a clear and engaging manner. The session was highly interactive, with active participation from students and faculty members.

A total of **93 participants**, including students and teachers from both the departments, attended the programme, making it a successful academic event.

The programme concluded with a **vote of thanks by Dr. Maumita Choudhury**, who expressed sincere gratitude to the resource person, organizing departments, and participants for their cooperation and enthusiastic participation.

Overall, the lecture session was academically enriching and successfully fulfilled its stated objectives by broadening participants' understanding of contemporary developments in economic thought.
