

Topic: "Mitochondria: Protein transport and assembly".

Resource person: Anjela Ahmed, Research Scholar, Department of Zoology, Gauhati University

Date: 23rd August, 2024

Venue: Seminar Hall, Department of Zoology

A Popular talk was organised by the Department of Zoology, Morigaon College on 23rd August, 2024 in the Departmental Seminar Hall. Anjela Ahmed, Research Scholar, Department of Zoology, Gauhati University was present as the resource person and delivered a talk on the topic "Mitochondria: Protein transport and assembly". The talk started from 11:00 A.M. The talk began with an introduction to the fundamental concepts of protein transport, emphasizing the importance of cellular organelle in the overall functioning of organisms. Anjela Ahmed highlighted the importance of mitochondria in cell function, starting from the discovery of the cell to the latest advances in cellular imaging techniques. The invited talk was highly informative and engaging. It provided a comprehensive overview of the current state of cell biology and offered valuable insights into the future directions of the field. The event was well-received by the audience, who appreciated the opportunity to learn from a leading expert in the discipline. 27 nos. of students of UG and PG were present in the talk.
