## Report

The department of Geography and the department of Economics organised an one day national level workshop on the topic: "Research methodology: collection through field study". In this workshop more than 76 participants were present. In this workshop the present gave the participants about an idea of how to use different resource methods in data collection for field study. A well delivered presentation showcase their knowledge, confidence and ability to communicate ideas effectively.

## Remarks:-

Nikhil - Very informative.

Nikumoni Patra: Very informative

Kapil Deka: Very informative

## Feedback:-

From the student's remarks, it is clear that the workshop is successful. The resource based workshop benefited all the participants.
