

Topic: Tackle Plastic Pollution: A Step towards sustainable Living.

Date: 5th June ,2025

Venue: Seminar Hall, Department of Zoology.

An Awareness Program was organized by the Department of Zoology, Morigaon College on 5th June 2025 in the Seminar Hall to mark the occasion of *World Environment Day*. The invited talk was delivered on the topic "*Beat Plastic Pollution: A Step towards Sustainable Living*". The session started at 11:00 A.M. with an introduction to the global challenge of plastic pollution, emphasizing its harmful effects on ecosystems, wildlife, and human health. The resource person highlighted the causes and consequences of excessive plastic use, explaining how single-use plastics contribute to environmental degradation. The talk also focused on the need for sustainable alternatives, waste management strategies, recycling, and the role of individuals and communities in reducing plastic dependency. Practical suggestions for adopting eco-friendly habits in daily life were also shared to inspire behavioural change.

The invited talk was highly informative and thought-provoking, creating awareness about the urgent need to address plastic pollution for a sustainable future. The event was well-received by the audience, who actively participated in the discussion and appreciated the relevance of the topic in today's context. A total of 50 students from UG and PG attended the talk
