**Resource Person: Dr. Ajit Konwar, Assistant Professor,
Department of English and Co-ordinator, IQAC, Morigaon College**

Objectives:

- To create awareness among students about innovation and innovative ideas
- To encourage students to come up with innovative ideas

Report

The Pre-Incubation Cell of Morigaon College organised an awareness programme on the topic "Transforming Ideas into Business Model" on 18th February 2025 in the college premises. Dr. Ajit Konwar, Assistant Professor of English and Co-ordinator, IQAC, Morigaon College graced as the resource person. Dr. Mrinmoyee Baishya, coordinator of Pre-Incubation cell welcomed the students and the resource person and gave a brief introduction about the Pre-Incubation cell and its functions. Then the resource person delivered his speech and talked about invention and innovation and the role of today's youth in developing innovative ideas and become self-employed. He discussed about the workings of IAC, Institutional Innovation Council and Incubation centre and its role for helping out students develop their innovative ideas. He talked how students can start a business with their innovative ideas and encouraged them to become self-employed. After his deliberation the students interacted with the resource person. The meeting ten ended with a vote of thanks given by Dr. Samutal Saikia, member of Pre-Incubation Cell.

No. of Participants: 33

33. Pranami Bordoloi	BA BA 4th sem	375

Outcome:

- Participants learnt about the role of IQAC, IIC and Incubation Centres in nurturing innovation and supporting student-led startups.
- The session motivated students to explore self-employment opportunities and consider entrepreneurship as a career path instead of solely relying on traditional job markets.
