REPORT

Two Day Workshop and Hands on Training on Vermicompost Technology Under DBT Star College Scheme

Organized by: Department of Botany, Morigaon College

Date: 19 December 2024

Venue: AKG Hall & Vermicompost Production Centre, Morigaon College

Resource Person: Mr. Janmoni Mahanta, Director, Yangli Farmers Produce Company,
Manipur, Morigaon

No. of Participants: 61

A two day workshop and hands training programme on vermicompost production technology was organized under DBT Star College Scheme. Resource Persons, Mr. Janmoni Mahanta, Director and Mr Tridib Kashyap Patowary, CEO, Yangli Farmers Produce Company, Manipur, Morigaon were present on both the days of the workshop. A total of 61 students of BSc. 3rd Semester and 1st Semester Botany (Major and Minor) participated in the programme. On the first day, production, packaging and marketing techniques involved in vermicompost preparation was explained to the participants. On the second day, hands on training were provided to the participants at vermicompost production center present in the college campus. After completion of the programme, certificates were provided to the students who have successfully completed the two-day workshop.

Outcomes:

1. Students were made aware of the importance and benefits of organic farming for the ecosystem as well as its correlation to human health.
2. Students had the opportunity to interact with resource persons of Yangli Farmer Produce Company who have been practicing organic farming through production of Vermicompost in the houses of village people providing them a chance of livelihood.
3. Students became aware of the huge opportunity in production, packaging and marketing vermicompost and vermicast.
4. Students were encouraged to know about the profits the company is making by producing composts and the enormous prospects the field has in the near future.
5. Upon successful completion of the two-day program, students received certificate of participation.
